

RSI Road Trip Focus Group

Everyone must answer these questions:

What are some things you learned today about the technology field in general?

What was the most interesting thing you discovered about the company?

What is one thing you plan to do with information you received today (for the CS presentation or from the company representatives)?

What types of skills do you think/did you hear are important for working in this field?

What are some steps you could take to get started toward a career in this field (or toward a career path of interest to you)?

Name some other regional employers that you might like to visit on a future road trip.
